# Tail DESIGN

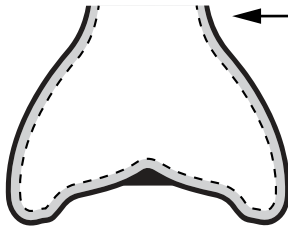

## CONTEST 2022

## DESIGN TIPS

- ▶ **USE CONTEST TEMPLATE ONLY**
- ▶ **CONTROL YOUR COLOR**
  - Use markers or paint for dark, vibrant color
  - Crayons, pencils & watercolor create lighter tails
  - Digital drawings are accepted
- ▶ **HAVE FUN & GET CREATIVE**
- ▶ **DESIGN INSIDE LINES**  
Stay within black outline for best results
- ▶ **AVOID LARGE WHITE SPACES**  
Swimsuits & monofins may show through white areas, especially when wet

**ATTENTION:** Sewing may result in the loss of art on the edge of your design. Be aware of this when drawing the edge of your beautiful tail design.

## PHOTO TIPS

- ▶ **Fin Fun template is required for all designs**
- ▶ **Avoid any shadows**  
Keep you and your phone/camera's shadow out of the photo when possible.
- ▶ **Check lighting**  
Ensure your drawing is well lit. Natural sunlight or a bright room works better than flash.
- ▶ **Take clear, in-focus photo**  
**NO BLURRY IMAGES**
- ▶ **Fit full page in your image**  
**DO NOT cut off any of the template page or any of your design**
- ▶ **Check color of photo**  
**What you submit is what we'll print**
